- Small Community Benefits
- Academic Excellence
- Outdoor Leadership & Environmental Studies
- Athletic Opportunities
- Integration with Canadian Students
- Regular Clubs and Activities

Purcell Collegiate School

GRATEFUL • MINDFUL • PURPOSEFUL • SUCCESSFUL

Our Community & Facilities

With the Canadian Rockies in our front yard and the Purcell Mountains in our backyard, Kimberley is the perfect starting point for memory-making and adventure-seeking opportunities. Purcell Collegiate, located in the Kimberley-Cranbrook corridor of British Columbia, is set amongst the majestic peaks of the Purcell and Rocky Mountain Ranges of Canada. Students from Canada and afar will explore new interests in this awe-inspiring environment, master new skills, and nurture new friendships.

Our Campus extends from the City of Kimberley, to the Indigenous community of ?aq'am and the City of Cranbrook. Students access resources in all of these areas for their curricular and extra-curricular programs. Students are transported by bus for school events and take classes both at their boarding campus at St. Eugene Resort and at the nearby College of the Rockies. Our partnership with both of these facilities allows students to experience first-class indoor resources while providing variety to their learning days and access to amazing outdoor pursuits with natural wonders for hiking, # ski resorts and # gold clubs nearby.

Our Program

Purcell Collegiate School is a private, independent, co-educational boarding school located in British Columbia, Canada. At Purcell Collegiate, we believe that every student has powerful potential. We provide students with a blend of strong academics and real-life experiences with individual attention and small class sizes in a caring environment. Our approach with students demonstrates how developing gratitude and understanding of indigenous ways of knowing can bring recognizable happiness into daily living.

Our Curriculum

Supportive staff assist students with their education. Academic advisors provide guidance and assist with skill development. Local community members assist with developing passion and life skills.

At Purcell Collegiate, our students experience a challenging, diverse and engaging curriculum, approved by the British Columbia Ministry of Education. The busy student academic schedule is combined with real-life experiences through leadership experiences, clubs, activities and daily life skills.

The schedule at Purcell Collegiate School is unique. Our condensed schedule allows for students to have a later start to the morning while having exposure to extra-curricular learning activities that focus on developing teamwork and creativity. Core subjects include Mathematics, English, Social Studies, Science, Physical Education and Career Explorations. Students use state of the art technology to enhance their learning.

Extra-Curricular Clubs

At Purcell Collegiate School, students thrive in an environment where each student can explore and develop their abilities and talents. Our diverse offering of extra-curricular clubs provides opportunities for students to experience culture, art, music, athletics and community interaction. These opportunities provide our students with the ability to build skills, identify their passions and become leaders within the school and larger community setting. Combined with building friendships and learning more about Canada, these extra-curricular clubs provide an amazing opportunity for students to connect with others.

Athletics

Students at Purcell Collegiate School are encouraged to develop active and healthy lifestyles. This is accomplished through both our core curricular Physical Education programs as well as extra-curricular athletic programs that take place after regular classes through school sports teams and within the larger community through local teams and leagues. Our program takes pride in developing the athletic abilities of all students while building lasting friendships while inspiring an active, healthy lifestyle.

Opportunities for Service

Our students learn to exemplify service each day through their lives and actions at Purcell Collegiate School. This can be through participating in school chores, volunteering at the campus, tutoring and supporting younger students or working as a volunteer within our local community. Through these experiences our students recognize and learn the importance of giving their time, energy and resources to support those around them. Our staff provide students with an overview of the many service opportunities available to them and assist them in selections that grow their passions and leadership skills as well as exposing them to Canadian culture.

Developing Life Skills

During their experiences at Purcell Collegiate, students are exposed to career education classes and other workshops that focus on developing life skills. Topics such as self-care, wellness, interpersonal skills, personal planning and leadership are also discovered through these opportunities.

Student Safety and Support

The health, safety and security of our students is our highest priority. Through our intentional planning and ongoing supervision, Purcell Collegiate provides 24/7 regular security staff within the dormitory settings, supervised student field trips and a staff counsellor to support the mental health and well-being of our students.
