### Important Notes

The boarding fee covers room and board, daily meals, 24/7 care, scheduled after-school and weekend activities, and airport pick up and drop off on designated dates. The boarding facility remains open during Christmas Break and Spring Break; students are not obligated to return home at those times.

Medical insurance coverage is managed by PCS and is mandatory for international boarding students. Medical coverage for Canadian students is not provided; it is per their provincial coverage and any extended benefits provided by their parents/guardians.

Application fees are non-refundable. The remainder of the above-listed fees are subject to PCS's Refund Policy. See your website for details.
